MUSIC PRODUCTION

15TH JAN, 10 WEEKS | 6.00PM-9.00PM

This music production course provides you with the creative skills to utilise Logic Pro X software to enhance your compositions, beats or live performance.

This course will guide you through the main areas of Logic Pro X covering the fundamentals of music production such as arrangement and instrumentation, EQ'ing, compression and using FX. Demonstrations will be using Logic X. Ableton Live software is also accessible in the studios and students will be provided with their own computer for the duration of the course. The programme is taught by Ahmad Dayes, an accomplished musician and experienced studio engineer. Students will be able to produce, mix and export their work at the end of the course. Please bring a USB key to save your work.

CRE8TIV® CHOIR

15TH JAN, 10 WEEKS | 6.30PM-9:00PM

Singing in a choir is about so much more than words and the tune. Phrasing, rhythmic accuracy, harmony and blending voices are some of the skills you'll enjoy learning on this course.

Cre8tiv® Choir is a community a cappella group with a passion to sing and have a good time. People from all walks of life come together to explore a varied repertoire, achieve great blend and balance of the vocals, while learning arrangements in three and four parts harmony, as well as going through a process of creating original arrangements. The course is led by skilled performer Paulina Knapik, who is accomplished in conducting choirs and small groups.

THURSDAYS

KEYBOARDS FOR SONGWRITING

17TH JAN, 10 WEEKS | 6.30PM-8.30PM

This course will teach you keyboard skills from a songwriting and arranging perspective, giving you a set of practical skills that will greatly enhance your knowledge of musical structure.

You will learn how to construct bass lines and chord sequences, riffs and hooks that really bring your compositional ideas to life. The course is taught by Roger Baptiste, an experienced session and events pianist, music director and educator, with the enthusiasm and communication skills that will inspire you to create and perform.

SATURDAY

YOUTUBE * ONE DAY

9TH MAR | 10.00AM-4.00PM

Learn the skills you need to expand your fan base and increase your online exposure by running your own YouTube channel.

YouTube has become an indispensable tool for independent artists across all disciplines, and if you are serious about increasing your audience, this course is an absolute must! CEO & co-founder of Laika Network, Rebecca Lammers will show you how to optimise and monetise your YouTube channel, strategise your content schedule, and promote yourself to a global audience.

This one-day course will require you to arrive with videos and profile pictures ready to upload, and to think critically about your work from your audience's perspective. You will leave with the competence and confidence to begin making the most of your assets.
